

Globalink Logistics Corporate Profile

October 2025

Powering Trade. Driving Growth.

Established in 1994, Globalink Logistics is a leading integrated logistics service provider operating across Central Asia, the Caucasus, and the broader Eurasian corridor — from China and Southeast Asia to the Baltics, Black Sea, and Eastern Europe. We deliver comprehensive end-to-end supply chain solutions, multimodal transportation, and specialised project logistics for industrial sectors. Backed by a strong regional presence, owned assets, and advanced digital systems, our capabilities are further strengthened through strategic global partnerships and a trusted partner network.

Our Commitment to Quality

"Quality is not a choice—it is our standard."

Globalink believes that quality underpins every successful logistics solution. Our services are guided by Total Quality Management principles and are certified to ISO 9001. We embed quality across every process, ensuring consistency, accuracy, and client satisfaction.

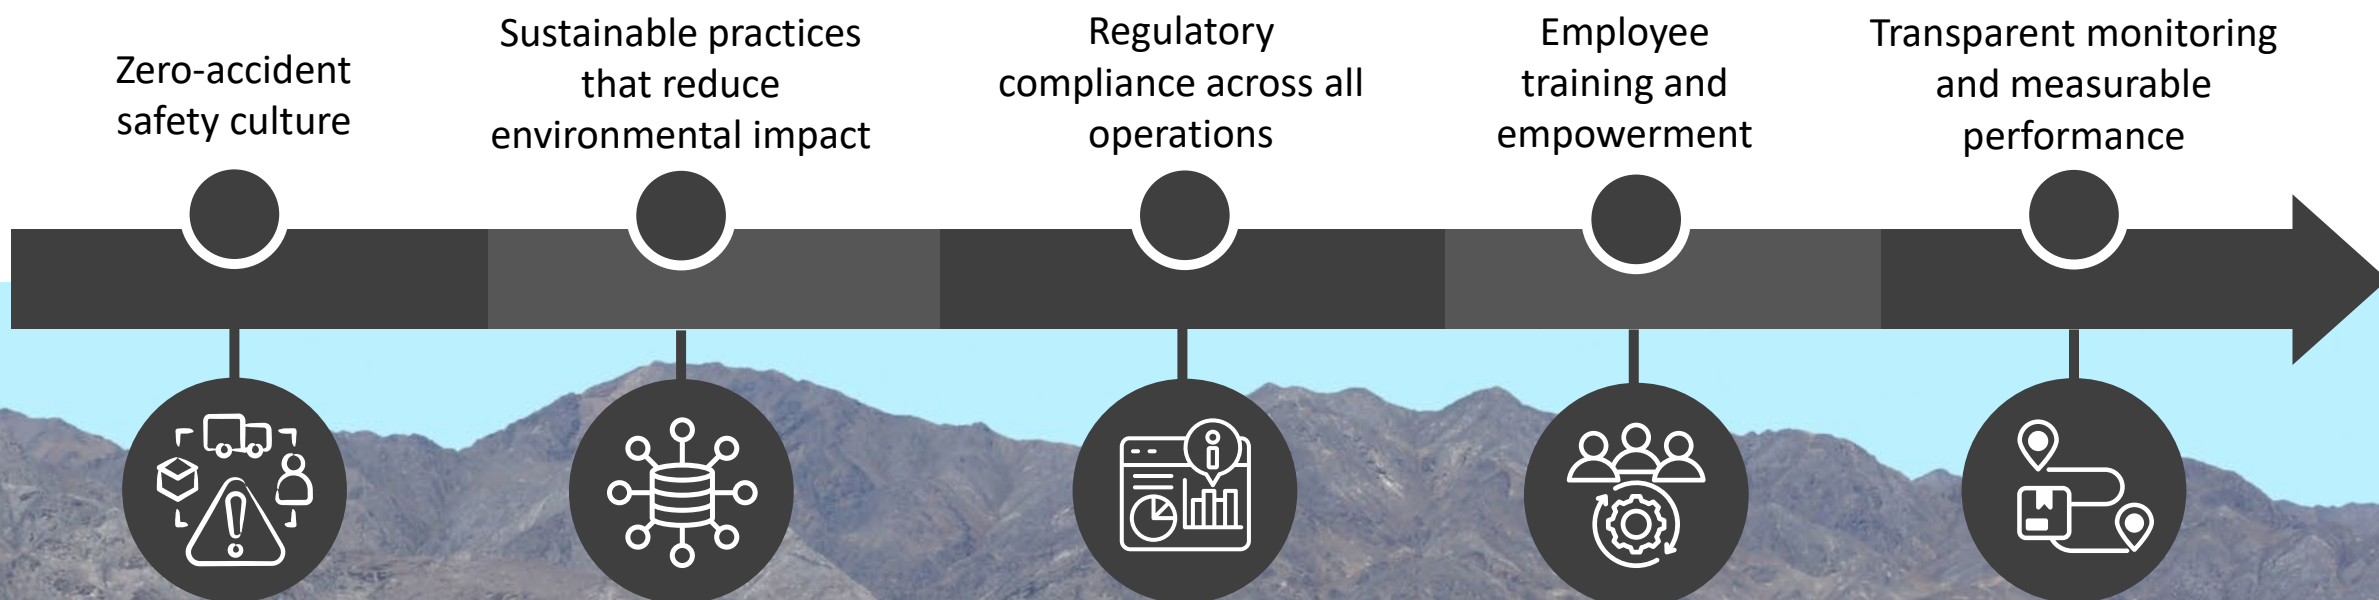

Our focus on continuous improvement minimises waste, maximises efficiency, and enhances customer trust.

Sustainability & QHSE

"Responsibility beyond logistics."

Globalink's QHSE (Quality, Health, Safety, and Environment) framework is certified under ISO 9001 and OHSAS 45001.

We are committed to:

We continuously invest in greener technologies and safety standards that support both our teams and the planet.

Compliance & Ethics

"Integrity in every transaction."

Our Compliance Framework is built on the ISO 19600 standard and embedded with high ethical standards across all levels. It ensures:

Adherence to laws,
regulations, and
industry codes

Staff training on
ethical conduct
and compliance

A culture of
openness and
accountability

Zero tolerance
for breaches and
misconduct

We protect customers, staff, and operations with robust systems that ensure business continuity, trust, and global credibility.

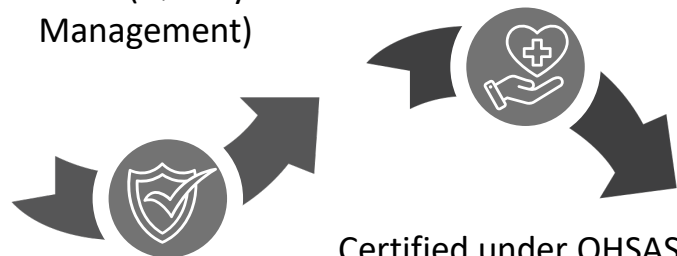

Supply Chain Security & Standards

"Protecting cargo, securing trust."

Key Points:

Certified under ISO
9001 (Quality
Management)

Certified under OHSAS
45001 (Occupational
Health & Safety)

Newly awarded ISO
28000:2022 (Supply
Chain Security
Management Systems)

Commitment to
secure, safe, and
transparent logistics

Advanced
monitoring and
compliance systems

Ensuring integrity and
reliability at every stage
of the supply chain
